**‘See I am doing a new thing.  
Now it springs up, do you not  
perceive it?’**

These were the words on a District prayer card as we embarked on the adventure of reconsidering and reshaping what it means to be The Methodist Church in Lincolnshire.

We are looking for someone to join us as our Mission Enabler and New Places for New People Lead to help lead thinking and shaping of existing Societies and the communities in which they are set.

Our current aim is to work towards becoming a One-Circuit District and so we seek someone with the ability to look at the wide horizons of our landscape and also the particular contexts of a county which, although mainly agricultural also includes the seaside economy, heavy industry and military presence, and a significant Wesley inheritance. The ability to be part of our small District Leadership is vital. This is an opportunity to be involved at the outset of what we pray will be a time of change and renewal for the Methodist presence in Lincolnshire.
