

The Methodist Church

Lincolnshire District

Serving locally, connecting the county

REVISED 1st September 2019

Responding Well

Are you a regular worshipper or visitor to our church?

Do you have a concern or worry about someone – a family, child, or a situation in the church and/or your local community?

Have you had a gut feeling about something and it's troubling you?

Are you concerned for yourself?

We have people who you can talk to who will know what to do or where to go for help:

The preacher at the service you have been in;

The Minister of this church;

A Steward in this church;

Someone in a role within this church – there is a church safeguarding officer in the church;

(There may be photographs up in the church of key people to talk to)

If you have internet look at www.lincolnshiremethodist.org.uk

If you would prefer to phone somebody outside of the church please call..... (Circuit Safeguarding Officer) and/or 07758 239286 (the District Safeguarding Officer)

PLEASE talk to someone.

We have learned a lot about the importance of listening to people's concerns, taking them seriously and getting them the most appropriate help and support
